

This Is Your Problem!

BY J. L. SHEAFF
Superintendent of Orinda School District

"Too many children and not enough classrooms."

The above quotation states clearly why it is important to the citizens of Orinda to vote favorably for \$92,000 worth of Bonds that are being asked for by the Orinda Union School District on Tuesday, September 13, 1949.

The statement, however, has other implications that are worthy of consideration and has a great bearing on the future of the children in this community. We are all aware of the tremendous growth that has taken place in Orinda during the past five years. People are moving to this community because it is in the country, the climate is ideal, the spirit of the community is most inviting, and the school and educational facilities are most desirable.

A program of education can be very good but when crowded conditions begin to exist some of the characteristics of the program will slowly begin to suffer. With the influx of population, the enrollment in the school increased considerably resulting in crowded conditions. This situation was culminated last year with the advent of double sessions in the primary grades at the Orinda School.

The new Glorietta School which was financed by a \$135,000 bond issue in 1947 will help, partially relieving the crowded condition. This new school has seven classrooms. There are 12 classrooms at the Orinda School making a total of 19 classrooms. Of these 19 rooms, four at the Orinda School were not designed to be classrooms at all. One room was designed to be a cafeteria room, another was to be a library room, the two basement rooms were to be wet weather rooms.

Yet during the past three years all four of these rooms have been used, and of necessity, will continue to be used, as classrooms. If 35 pupils were placed in each of the 19 rooms the total would reach about 665 pupils. The figure of 35 pupils per classroom represents a maximum of pupils that should be in each classroom for efficient teaching purposes.

During the past three years there has been approximately a 20% increase in enrollment each year. At the present time there are 686 pupils enrolled in the various classes both at Orinda and Glorietta Schools to begin the 1949-50 school year. If we estimate conservatively on next year's enrollment, by the time school starts for the 1950-51 school year we should have approximately 800 to 825 pupils. By dividing this figure by 35 it is a simple matter to estimate the number of classrooms that will be needed to begin school in 1950.

During this summer there have been one or two enrollments each week in the various grades and there are probably a number of children who haven't enrolled as yet. The survey we are making shows a very constant increase each year for the next four years. This survey will be published with a week or two as over 50% of the cards have now been returned.

What will happen if additional classrooms are not made available?

Many anxious parents have asked this question. The answer is double sessions. It means that many children in this community will be deprived of the full, well rounded educational program that their parents desire. It means using every available inch of space for classroom teaching. It means that in so using all this space, some of the desirable added functions that a dynamic, flexible educational program should have, must be eliminated.

'Complete Audit' and Jury Requests Complied With by Sanitary District

The Central Contra Costa Sanitary District made a "comprehensive change" in accounting procedure and issued its first financial statement, after the 1948-49 Grand Jury charged that "both the Engineer's contract and the District's method of accounting can and should be improved."

The Jury also recommended that "a complete and thorough audit be made by a Public Accountant of the operations of this district from the date of its inception."

COUPLED WITH REQUESTS
Every recommendation asked by the Jury and D. M. Teeter, County Auditor, was complied with at the time of each individual recommendation. John Mason, Sanitary District manager, stated. No criminal irregularities were found.

Some of the changes adopted were the use of serially numbered receipts, duplicate entries and a new system of vouchers whereon complete details of each purchase is shown. The new accounting system was set up in the District's office on July 1, Mason said, with the codified method installed as is used by County offices.

COUNTY REPORTED
Although this is the first financial statement issued by the

Set Enrollment At Orinda School

Children who have not yet registered in Orinda School District for the new term may be enrolled at Orinda Grammar School September 6, 7 and 8.

There will be no enrollments accepted on the first day of school, September 12. Printed cards bearing this information have been placed on display in store windows as a reminder to parents.

Bids on the grading, paving and culvert work for the Glorietta school were opened at the board meeting Monday night. Orinda Excavating and Paving Company of Oakland won the contract on a bid of \$7,486. Other bidders for the job, which is scheduled for completion within 30 days, were J. Henry Harris, F. E. Young and O. C. Jones.

New Acalanes Students To Register Sept. 6 and 7

Fall term registration of pupils new to Acalanes Union High School District will be accepted on September 6 and 7 from 9 a.m. to 4:30 p.m. in Room 9 at the high school building, officials report. Regular classes begin on September 12.

Sanitary District itself, Mason pointed out that the County Auditor's annual report always contains a financial statement of the District.

Under the new set-up, the District can give a complete accounting of its business "at any given time."

The District is now preparing an annual report, according to R. E. Wadsworth, Sanitary District Board president.

HOME AGAIN

Flying in from Chicago last week, Mrs. Frank Teiche, accompanied by her son and daughter, Frank and Patsy, ended a month's vacation in which they visited numerous points of interest. Michigan was included in their "airplane itinerary," with other flights to stops adjacent to Boulder Dam and Grand Canyon, from where they visited these landmarks.

Sheaff Reveals What Classes Will Be on Double Sessions This Year

To clarify the necessity for split sessions and doubling up of classes in the Orinda School District, Superintendent Joseph Sheaff revealed a comprehensive list of facts and figures this week in an explanation to the public.

Up to August 18, kindergarten registrations in Orinda Grammar School totaled 48. In the new Glorietta School, there will be 28 beginners enrolled, Sheaff said. Since there is only one teacher and one classroom available at the Orinda plant, the class has been divided approximately in half for a morning and an afternoon class.

MAXIMUM TOLD
Sheaff pointed out that it is generally conceded in educational circles that 35 students is the proper average for the upper grades, but that smaller classes are much more satisfactory in the lower grades.

AT ORINDA SCHOOL
There will be a double session for the first grade at Orinda School with 64 students enrolled so far, two teachers available and one classroom.

Two available classrooms and two teachers make it possible to divide the 75 children enrolled for the second grade into two classes without the necessity for double session, the superintendent stated. Each class will be larger than the desired maximum size, however, with last minute enrollments expected to add even more.

The third grade at Orinda School

Sewer Job About 80 Percent Done

With paving approximately 50 percent completed and ditch lines about 70 to 80 percent finished, Associated Electrical and Mechanical Company will probably complete its work in L.I.D. No. 10, northwest of Orinda Village, in several more weeks, according to a company spokesman.

Frank Frog, superintendent of installing pipe lines through the area, is steadily progressing with his job, leaving areas prepared for the paving crews headed by Joe McClary of Orinda.

Residents of the area will be contacted within a short time concerning house connections, when the construction company will quote prices for house hook-ups.

Fleager, Sims On Committee

C. E. Fleager of Orinda and Harry R. Sims of Lafayette were among those of 28 Contra Costa County leaders named in appointments to important California State Chamber of Commerce Central Coast County committees, according to Frank M. Shay, San Jose, state chamber regional vice president.

Fleager was named on the tax committee and Sims as a member of the travel and recreation committee.

has 69 students enrolled, with two rooms and two teachers available for the two classes planned.

4TH AND 5TH GRADES
There are 102 students registered for the fourth and fifth grades at Orinda, with 3 rooms and 3 teachers to accommodate the classes. Plans call for one fourth grade, one fourth and fifth grade combined and one fifth grade, to divide this number into manageable groups.

Thirty-seven students are enrolled in the sixth grade, with 1 teacher and 1 room available. There are 40 students enrolled in the seventh grade, with 1 teacher and 1 room, and 36 enrolled in the eighth, with 1 teacher and 1 room.

GLORIETTA SCHOOL
At the new Glorietta School, 28 beginners are registered for the one kindergarten class and 33 are enrolled in the first grade. With 45 registered for the second grade, 33 for the third and 21 for the fourth, the classes have been organized to form one second grade, one combined second and third grade and one combined third and fourth grade. There are 3 teachers and 3 classrooms slated for these latter grades.

The fifth and sixth grades, with 18 in one and 13 in the other, will be combined under one instructor. The 19 enrolled for the seventh grade and 16 for the eighth grade will also double up in one classroom with one instructor.

New Law Goes Into Effect in 30 Days at Crossroads

An ordinance regulating parking on the public highways at Orinda Crossroads was adopted by the County Board of Supervisors Monday, with the legal publication in today's ORINDA SUN.

Included in the new law are two hour parking limits in designated areas on Moraga Highway and along Golden Gate Way, 5 minute parking limit for 20 feet fronting the post office and restrictions forbidding any parking on sections of Moraga Highway and Golden Gate Way. The ordinance goes into effect in 30 days.

The ordinance is the result of months of survey and planning by Orinda Better Business Association in cooperation with the Orinda Association.

Alteration of the parking problem at the Crossroads business section will be a definite stride toward future motorist-pedestrian safety, according to Fred C. Von Guenther, Business Association president.

Orinda's Library Still Growing

Orinda branch of the county library now boasts a membership of about 275 adults and children of the community, with new patrons added to the list every week, according to Mrs. E. A. Dawson, librarian in charge.

There are approximately 1200 books and magazines of all types on the library shelves for readers to choose from. Requests for special volumes not found in the local branch are turned over to the County Library in Martinez where every effort is made to get them, with applications sent to the State Library for hard-to-get books, for delivery to the Orinda branch.

Everyone is free to join the membership of the library, Mrs. Dawson stressed.

Hours at the Orinda branch are: Monday, Wednesday and Friday, 2 to 5 p.m. and Monday evening, 7 to 8 p.m.

Expect 'Break' In Old Burglaries

More developments in the "clothespread" burglaries which plagued Orindans several months ago are predicted by Inspector Norman Wilson of the Sheriff's Department.

The gang, called the "crowbar gang," or "bedspread burglars" was apprehended some time ago and its members have been sentenced or are awaiting trial, Wilson said. It is hoped the new developments will clear up the Orinda robberies entirely.

Wilson issued a warning to residents of this area to be especially careful of prowlers and house burglars who are beginning to "operate" in the Bay Region.

Country Club and Park Pool Swimmers Are Ready for Annual Meet Sunday

The annual inter-club swimming competition between teams of the Orinda Country Club and the Orinda Park Pool Association will be held Sunday afternoon at 2:30 at the Park Pool as in preceding years, rivalry is again keen for THAT championship and the loving cup.

This year's event will include swimming races for nearly all classifications of children and adults, according to age brackets from 6 to 16 and up.

Tentative line-up for the meet which includes both back stroke and free style racing, are:

COUNTRY CLUB

Orinda Country Club boys: 6-7 year olds, Douglas Federighi; 8-9, Bill Klement, Tim Mahoney; 10-11, Parker Dinwiddie, Wade Wallace; 12-13, Jim Sweet, Tom Veitch; 14-15, Jack Stoffel; and 16 and over, Phil Chapman.

Country club girl swimmers are 6-7, Ann Reilly; 8-9, Gail Dinwiddie and Nancy Veitch; 10-11, Dawn Bottomley and Peggy Gompertz;

12-13, Barbara Stork; 14-15, Kay Goodwin; 16 and over, Sue Kilgo.

PARK POOL

Tentative line-up of boys and girls for the Orinda Park Pool is: 6-7, Judy Courtright, Heidi Von Guenther, Paul King and David Puddy; 8-9, Val Geissler, Don Bell and Judy Teuscher; 10-11, Butch Fitzpatrick, Sally Freedman and Georgianna Watkins; 12-13, Jim Watkins, Don La Barth, Sue Small Rae Littlejohn and Sally Pedder; 14-15, Jerry Vurek, Ann Ward and Jim Jacobus and 16 or over, Dick Symes, Pat Hannon and Mary Fran Hafner.

The Orinda Park Pool swimmers are defending champions.

Gil Callief is coach of the Country Club team, while Don Bell is coach of the Park Pool swimmers. George Matey will serve as announcer and Hank Moller as starter.

Fellowship Plans Barbecue Party

The Pilgrim Fellowship will have a barbecue and swimming party Wednesday, at 6 o'clock at the home of the president, Roger Dunn. During the evening the group will make plans for their Fall program which will include the initiation of a fine new group of freshmen entering Acalanes in September.

Seek Site for New Fire House

Orinda Fire District's negotiations to acquire a 1.9 acre parcel of land from the Moraga Company to be used as a site for future construction of a second fire house are nearing conclusion. The parcel of land is on Moraga Highway at Orchard Road.

The project has been under discussion for some time by Fire District officials, but no definite conclusions have been reached in negotiations for the site. The necessity for securing land while it is still available has faced the Fire District, with future building plans dependent upon the growth and continued development of the community.

Apparatus facilities at the present fire house have been augmented by conversion of a former hose truck into a high pressure pump rig. The work was done by the firemen. Commissioners have also authorized employment of an additional full-time fireman.

Santa Maria Sets Parents Meeting

Santa Maria Church will hold a parents meeting at 8 p.m. at the Orinda Country Club Monday to discuss transportation problems involved in getting Orinda children into Oakland Catholic Schools.

The Rev. Father Duffy will conduct the meeting.

If persons desiring questions answered will write them down to be handed in at the door, Father Duffy will be glad to answer them.

This pertains to a group of children going from Orinda into Oakland to Catholic Schools.

Take a Trip to Oakland -- During Our Pioneer Days

The youngest of the three Miner sisters, Anita, has added her recollections of Brookbank to the chronicle of early days in the section now known as Sleepy Hollow in Orinda. Continued from last week's SUN is this concluding chapter to her story, which she calls, "I Remember—"

"SPRING WAS THE BEST OF ALL! How exciting the pussy willow that came in time for Father's birthday, January 26, also the little white radish. If an open February, the first buttercup for my birthday was found on a certain sunny slope. Then the world bloomed with masses of wild flowers. There were little secret canyons where the maiden hair and many other delicate ferns grew.

"I rode through the shaded places in the hills where the field bracken grew saddle-high. The wild parsnip grew among them, its wide leaves and tall hollow stems, eight and ten feet high, with its big white flowers, gave a strong pungent odor when my horse crushed one as I passed.

"Always I rode!
"SPRING WAS THE TIME for new baby colts in the small pasture near the house where the brood mares were kept. How wonderful to find a new one sleeping beside Kate or Bell, to sit in the green grass and hold the baby colt's silky head in my lap while it slept and the mother nosed me gently, understanding that I loved her little one just as she did.

"There also were new puppies and kittens. So many things to see to and watch grow. I was never lonely.

"In the deep canyon, at the

upper end of the ranch, grew the Woodwardia fern, six and eight feet tall. Many a friend's wedding in Oakland was the lovelier for the great bunches we cut and carried out on horseback and sent to town by Father. Also they graced many an Easter service at Trinity Church.

"I REMEMBER trips to Oakland to stay with maternal grandparents, very nice, but my real joy was starting back to the ranch.

"The drive went like this: out Telegraph Avenue past the Three Mile House at Shattuck and Telegraph Avenue, then the Four Mile House at College and Claremont, out along Claremont past the big homes and lovely gardens.

"As we entered the summit road there was a little saloon stuck into the side of the big hill close to the road, called The Last Chance. One wet winter the hill got tired of having it there and a big earth-slide let go and wrecked it. It was never rebuilt.

"FROM THE LAST CHANCE, there was the long, slow climb up to the summit. There for many years, stood the summit house, a reminder of the days when the stages ran to Mt. Diablo and changed horses there. It was a tall, gaunt, grey house.

"A red rosebush bloomed bravely in the barren fog and wind-swept yard. Mother begged a slip from the woman who lived there and it grew to be a big bush. We always called it the "summit house rose," even years later when we learned its real name was Ragged Robin.

"FROM THE SUMMIT we trotted down the grade. At the foot,

where we turned into the Fish Ranch canyon, was the Buckley ranch. Mr. Buckley was always talking about a tunnel through the hills. The low level tunned of today comes through just about where he always said it should.

"Next place was the Fish Ranch with the small saloon and the big stables close to the road and the big house with its row of guest cottages in the bottom of the canyon close to the lovely stream under the big Tag alders.

"The road winds on close to the stream under the lovely trees. We come out of the canyon where the Fish Ranch creek meets the Moraga stream to form the San Pablo Creek and there is Mayor Bryant's lovely house. A bit further and we turn left at Gerow's blacksmith shop, down San Pablo Creek one mile and turn right, and then our own road one mile more—and five gates to open. Father gets out to open the gates and I am allowed to drive the team through.

"HOME AT LAST! We cross the small wooden bridge, just around the turn from the house, which is called the door-bell because it is plainly heard at the house—the dogs rush out, packages are carried in by willing hands.

"IT HAS BEEN A LONG DRIVE, two hours or more, according to the condition of the roads; summertime, even deeper dust; winter, degrees of mud, sloppiness to deep and sticky.

"There were many guests at the ranch, which Father and Mother enjoyed. They were perfect hosts!

"Friends came to hunt and to fish. There were quail, cottontail and doves, in season, trout in the creek. In the winter, at high water, salmon came up San Pablo Creek and we had many a ten or twelve pound fish that the men got with a pitchfork for a spear....

"WINTER EVENINGS, Mother read out loud the current magazines, Harpers, Century, McClures, etc., books and sometimes Shakespeare or history. We sat

around the fireplace and listened, sometimes popped corn or roasted apples.

"IF IT WAS A VERY COLD night, we each went upstairs to bed carrying a hot brick neatly wrapped in a piece of old blanket in one hand, a tin candle stick with a lighted candle in the other. The hot brick was a great comfort when you got into a cold bed; not so good to kick in the night.

"IT IS FUN TO REMEMBER when you are seventy, but before I bore you, may this give you some idea of the kind of life we lived at Brookbank.

"Ah! dear Brookbank good-night!"

(Signed)
ANITA F. MINER MACEY

And so ends the story of the Miner family and Brookbank.

Living has changed in many ways since pioneer days. The ridiculed idea of a tunnel through the mountains is now a reality reducing to a matter of minutes the once long trip to Oakland. Electricity, piped water, telephones, automobiles, all these have quickened the tempo. Once bare hills and valleys now are settings for spacious homes.

LIVING IS EASIER! Whether it is better is a matter for conjecture. We hurry to drive up the mountain and miss the hills that shelter hidden spots of beauty. From our mountain top, reached hours sooner in our cars than by horseback or horsedrawn buggy, we can see sunlit heights and shadowed depths, the trees, but not

the leaves and birds-nests hidden in the branches, a line of stream, but not the ferns and tiny fish darting in the pools. We hear the drone of planes from near-by airports, or the shrill screech of sirens. We can't hear the lazy drone of bees or the young bird's call. We have gained, but we have lost too.

GUESTS FROM TEXAS

Mr. and Mrs. E. E. Lee entertained guests from Texas last Monday evening. They were Mr. and Mrs. Holland and their daughter, Alma Blight, who is from Oakland. They are very old friends of the Lee family and spent an enjoyable evening talking over old times.

Are you a keen judge of people?

Which are the largest P. G. and E. stockholders?

Here are a housewife, a president of a corporation, a clerk, a manufacturer, flagmaker, wrestler and a teacher. Each one owns stock in P. G. and E. Who owns the most?

How did you choose? Well, here are the facts: Housewives own the most. Teachers are next; then laborers, then manufacturers. And you probably didn't guess that the wrestler owns almost as much as the corporation president.

The figures are from a study of 4300 people who invested their savings in one particular P. G. and E. stock some years ago. They are typical and illustrative rather than actual. They show that in the final analysis—all are "Capitalists"!

No one individual owns as much as 1% of P. G. and E. stock. Actually, we're owned by the 154,300 stockholders who've invested their savings in our company.

These invested savings, plus sound management, have enabled P. G. and E. to provide gas and electricity at rates among the lowest in the nation.

FOR THE RECORD

P. G. and E. stock is among the most widely held in the U. S. This is an example of why "Big Business" is everybody's business—teamwork between the public, management and employees.

Work never stops on our power building program.

P. G. and E.
PACIFIC GAS AND ELECTRIC COMPANY

Walnut Creek School District To Operate Buses

Tabbed as "prohibitive," all bids for the Walnut Creek School District's transportation contract were rejected by school district officials. As an alternative, trustees have decided to purchase buses for the District's own transportation system for students, to begin this fall.

Two operators bidding for the transportation contract submitted figures ranging from \$34,000 to \$90,000 depending on the alternative proposals outlined. Following rejection of the bids, school trustees made their decision to operate their own system. District Superintendent Sheldon Rankin was instructed to revise the present transportation setup to conform with the new plan.

The school district plans to buy six buses, which will be financed from various sources, including state money available for the purpose.

The Walnut Creek School District once operated its own buses, but has let the service to contract by private operators during the past several years. With two separate school plants in operation and a third under construction, and an estimated 1600 students enrolled, officials said transportation costs were becoming too high.

CAMPING TRIPS

The T. G. Cullens of Las Vegas Road, have enjoyed two camping trips this summer. They motored to Mt. Shasta, Crater Lake and Mt. Lassen for the first one, and recently spent a week end camping at Tahoe. Daughters Carolyn and Denise were intrigued to find snow still on the ground outside their tent at Crater Lake.

What Orindans are Doing . . .

BIRTHDAY FETE

"General" Bachstein celebrated his sixth birthday with swimming and refreshments at the Orinda Park Pool last Saturday. Included among his guests were Neal Van Reen, Sheri Elder, Mary and Scot McFarland, Martin Smith and Jeff and Billy Schwarck.

PINECREST TRIP

The Doug Williams family have returned from Pinecrest where they visited friends for two weeks.

NEW RESIDENT

Mr. and Mrs. Andrew Stojkovich and their two small daughters, are the new owners of the Vroman home on Canon Drive. Mrs. Flora Vroman has returned to Minneapolis.

TAHOE TIME

Mr. and Mrs. J. A. Johns and Donna enjoyed two weeks at Tahoe recently. Only mishap was Mrs. Johns' fall from a horse which, luckily, resulted in no broken bones.

Col. Clayton Reports For Training Course

Col. William A. Clayton of 294 Moraga Highway, is one of 44 officers, 10 of the others also East Bay men, who have reported to Camp Stoneman with the Sixth Major Port, Transportation Port, Transportation Corps Reserve for a two-week active training course.

Indoctrination and field practice in all phases of military transportation are included in the program. The program is sponsored by the San Francisco Port of Embarkation Military Training Division.

INJURED

Mrs. T. D. Courtright fractured her wrist in a fall last week. We wish her a speedy recovery.

AT TWAIN-HART

The Rudy Rasmussen family has returned from two weeks at Twain-Hart. There also for the first week were Mr. and Mrs. Fred Crawshaw and Craig.

PFIEFFER GUESTS

Mrs. Alice Pfeiffer, Loma Vista Road, Orinda, will have as guests for the next few months, her daughter, Mrs. Kenneth Cooper of Sacramento, and her baby granddaughter, Kathy. Mrs. Cooper and daughter will stay until the husband and father completes a new home for their return.

Neighbors Pot Luck At Jim Brown Home

Scene of this month's pot-luck supper for neighbors in the Las Vegas area was the Jim Brown home. Joining the outdoor supper followed by Canasta last Saturday night were Messrs. and Mesdames T. G. Cullen, R. E. Bottjer, Jim Brown, Marvin Lee, Stan Hunn, Eugent Schmitt, Don Woodcock, and Dr. and Mrs. Sam Smith.

State Disability Rating Schedule Postponed

State Industrial Accident Commission has delayed until July 1, 1950 the adoption of a new permanent disability rating schedule, the California State Chamber of Commerce announced today.

This will permit industry and agriculture to analyze and present their viewpoints to the Industrial Accident Commission before the new schedule becomes effective. Any protests against the new rating schedule's provisions must be filed by March 1, 1950.

Private Fliers to Tour Redwoods

Although the date of the third annual Grand Air Tour of the Redwood Empire on Admission Day weekend is more than three weeks away, 25 private fliers have already signed to participate in the tour of September 9-11.

Tour Director Frank Bishop, manager of the Napa County Airport, today revealed that more than fifty individuals, as pilots and passengers, are now set to make the flight which is being arranged by the Aviation Unit of the Redwood Empire Association.

Those interested in joining the flight should inquire of the Aviation Unit, Redwood Empire Association, 85 Post Street, San Francisco 4, California.

County Offices To Be Moved

Offices of the County Planning Commission and building inspector soon may be transferred to a two story structure recently acquired by the county on property across from the Court House.

The building will be converted to accommodate the two departments to relieve congestion in the County Hall of Records. \$36,209.84 was paid to the estates of Millie Curry and Alice Kelly for the property.

TWO NIECES HERE

Mr. and Mrs. Clarence Betz are entertaining Sallie and Pennie Smith, nieces from Berkeley, for two weeks.

ENTERTAINS CHILDREN

Mrs. G. Chester Brown is entertaining her grandchildren, Laureli and Daryl Rom of Sacramento. A highlight of their visit, from the children's point of view, was a ferry boat ride from Martinez to Benicia.

CAMPING TRIP

William Penn Mott, Jr., and young son, Bill, spent five days recently camping at Lake of the Woods in the Sierras about six miles from Echo Lake. They had some dandy hikes together and also spent some time helping Mr. Mott's brother-in-law, Mason Whitney, close his Boy Scout camp there.

Sissons to Move To Piedmont Home

Long time residents of Orinda, Mr. and Mrs. Ralph Sisson have sold their beautiful home on El Campanero to the Victor Cranstons now living on Dias Doreadas. The Sissons take an apartment in Oakland until their new home on Hazel Lane, Piedmont, is completed. The Sissons assure their many Orinda friends that they will continue to see them at Orinda affairs.

The Cranstons have two sons, Jim, attending college in Idaho, and David, a student at Alacanes High School.

Gores Take Pictures On Scenic Trip

Crossing the Sierras six times, Mr. and Mrs. Challis Gore spent a wonderful week taking pictures. They found places of ravishing natural beauty, and others of ramshackle interest to a photographer.

They took over a hundred pictures in black and white, and in colors of scenes in Tioga Pass, and Donner Lake. The Gores feel that no one really sees, appreciates, and remembers the beauty and interest in scenes quite so well as a photographer.

Donations, Help Continue to Pour In For Mt. Diablo Child Therapy Center

Coming to the aid of the Therapy Center is the Lafayette P.T.A. which is sponsoring a goods exchange at Lafayette Surplus and Sporting Goods Store, Mt. Diablo Blvd., Lafayette. People are being asked to bring anything they wish to sell to the store and it will be sold on consignment with 10% going to the Center. Mrs. Stewart Dinwiddie is the P.T.A. Child Therapy Center was praised by Dr. Martin Mills, C. C. County Commissioner of Health, at a meeting of the Therapy Medical and Health Committee at Lafayette.

POLIO CHAPTER SUPPORT

The committee, meeting in Neil Cornwall's office, heard Dr. Mills say that the Contra Costa County Polio Chapter "will cooperate with and support the Mt. Diablo Child Therapy Center in its efforts to secure a much needed treatment center in this county."

Mrs. Mary Doyle's physiotherapy treatment work drew high praise also from Dr. Mills, who pointed out that better facilities for this work are a necessity in Contra Costa County.

Fifty Walnut Creek Rainbow Girls whose Worthy Advisor is Ann Lyall Smith, are also coming to the aid of the Mt. Diablo Therapy Center and will staff a membership booth in that city, Nan Wallace, Center president, announced today.

The booth for the purpose of receiving memberships for the Child Therapy is located in front of the Bank of America on Main St. in Walnut Creek, and is now open daily.

Ethel Francis Murray, Executive Secretary of the County Health Association, expressed this organization's interest in the Therapy Center plans. She pointed out that her group had funds which are to be used for the Rheumatic Heart program in cooperation with the Center.

The following new commitments have been received by the Center officers: Mrs. Paul Romak, Concord, transportation; Mrs. C. E. Cook, Orinda, and Mrs. W. E. Walker, Concord, both registered nurses, 1 day a week; Mrs.

E. H. Hurbbe, Lafayette, pair of crutches; Lyle York, Orinda, art and murals for building; Mrs. D. R. Court, Lafayette, book review for benefit; and Mrs. James Covert, Martinez, typing.

All persons wishing to donate services or materials to the Therapy Center are asked to write Mt. Diablo Child Therapy Center, P. O. Box 168, Walnut Creek, or phone any of the following numbers; Lafayette 4618; Walnut Creek 3104 or 3364; Concord 6304.

Morrow to Talk On Maturity

Sunday morning at 9:30 at the Orinda Community Church, the regular Sunday summer service will be conducted by the Rev. Fred Morrow. His topic is announced as "The Marks of Maturity." Mrs. C. P. Baker will be at the console of the memorial organ. Classes for the Sunday school are scheduled for the same hour.

Consultation hours are being established at the church building in a new office set up in the tower room. Week-day periods at which the minister will be available for personal counsel are to be announced September 4. Heretofore the church has had no office facilities except at the manse.

Backtracking

All War News Wasn't Bad -- Nor Was Everytihng Rosy in 1942

WHEN WE'RE BACKTRACKIN' we like to run across news items that brought good news . . . And that September of '42 must have been a happy time for Mr. and Mrs. Stanley Smith of Orinda. They received word that their daughter, Madeline, with her husband, Alfred and their children, Peggy and Dodie were alive in Manila, but prisoners of the Japs at Santo Tomas University of Manila. The Smiths had not heard from them since the fall of Manila.

ANOTHER BRIGHT NOTE from September, '42 . . . Nancy Garoutte, who wrote "Round About Orinda" for the SUN, was being honored at a tea. Nancy was going to enter Sarah Lawrence College . . . as a journalism major. Her hostesses were also heading for higher larnin'. Miss Jean Olsen was going to Cal and Miss Barbara Mattes favored Oregon State. Thirty guests attended the affair held at the home of Jean's mother, Mrs. Claude Blackly of Happy Valley Road.

All was not sunshine for September of '42 though. Lafayette's only full time, paid fireman, Charles Peake, broke a leg when an overhead door weight fell on him. . . And it was only his ninth day of duty.

SPEAKING OF THINGS that fall . . . A giant eucalyptus tree fell in Canyon and some Canyonites thought bombs were falling. The tree crashed into the park across from Canyon Store. September was a busy month that year.

SEPTEMBER IS A BUSY MONTH every year . . . Yeah, says Junior. School! Two new classes were added to Lafayette Grammar School "due to increased enrollment." All but three teachers returned for fall session in '42. One transferred; one went into defense work (necessary for teachers in some of the schools I went to); and teacher Vernon Rees went into the armed forces.

Mmmmm . . . They were serving barbecued venison steaks at the Oak Drive home of Mr. and Mrs. Ray H. Curtis in August of '42. Those who enjoyed sizzling steaks were the Messrs. and Mesdames Ernest Mathy, William Vaughn, William Gillman, William Taylor and Dr. and Mrs. Alex Hayward. It's deer season again. Any steaks?

SEE WHERE SUPERVISOR JAMES LONG won his election to Sheriff's office. Beat out Police Chief Steve Neilson of Martinez. And District Attorney Healey was re-elected over Assemblyman Harold Sawallisch.

That '42 election got pretty hot around the edges. Some of the boys formed a "Contra Costa Good Government League" while others organized a "Committee of 60." Mud of the political variety flowed freely from some camps. The Antioch Ledger, bless their staunch hearts, refused to print a "scurrilous" ad sent in to them anonymously . . . with \$21. The Ledger practically dared some one to own up to the \$21 which was going to be offered to charity.

BACK TO THE HAPPIER TOPICS . . . Lafayette Auxiliary ladies were entertained in August of '42 with piano selections. Young pianists were Grace Ann Steward, Dale Wilson and Forrest Borghesani . . . And Miss Mary Powell of Lafayette was soloist at the wedding of Miss Helen Waterhouse and Winthrop Kingsford Cox, Jr., in Berkeley.

Some folks were singin' and playin' pianos; Ed McNeil of Lafayette was nursing a broken leg. That's right . . . McNeil was hit by a car over on Cap Sandford's Maniac Boulevard.

WHILE ALL THIS WAS GOING ON about him, Ed Norden was taking things calmly. They say Ed would go into Lafayette restaurants for lunch but . . . he brought his own dill pickle to munch on. So long. See you on the trail next week.

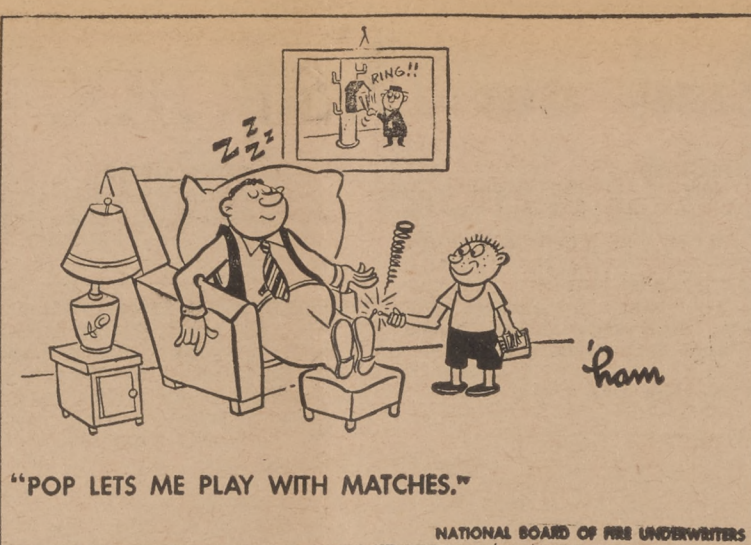

HEY!

GORDON'S GOT ROCKS NOT DEAR-BUT CHEAP!

Letters to the Editor

Dear Reader:

I read what you said about the Man Who Hauls Away Garbage, and I don't feel a bit sorry for him. He has made me so mad, practically every Friday of this summer that my baser self would gladly have thrown garbage, not at a can, but at the MAN himself. He makes me mad because he has the most awful sounding truck I ever heard—you can hear the brakes shrieking half a mile away. Sounds like some poor pig being slowly pulled limb from limb. If the garbage has been standing a whole week, why can't it stand a couple of hours longer? WHY must it be picked up at 5 a.m.?

I counted the names in the phone book, allowing 95 per full column, though there are some columns with as many as 107, and got a total of 1,250 for Orinda. At \$1.75 a month, per garbager, the MAN would take in over two thousand dollars a month. If only half that number paid, it would still be over a thousand dollars a month, and he shouldn't have to worry about bankruptcy.

"Everything is relative"—and compared to what most of our school teachers, college profes-

sors, research men and clergymen get, the Man Who Hauls Away Garbage seems more than well paid. There are many school teachers in the U. S. who are paid less than a thousand dollars A YEAR!

In Minnesota, where we lived for six years just before coming to Orinda three months ago, men haul your garbage away three times a week, for NOTHING . . . Same in Illinois, where we lived about twelve years before.

Well, Reader, there's the "other side" of the smelly story. Of course, my better self would never allow me to throw garbage even when I felt I was being robbed at 5 a.m. . . . Why, just yesterday, when the relief man was on and didn't come till about seven, I told him how wonderful it was to have him come then, and how much better I would like the regular man, whom I've never yet seen, if his shrieking truck would come at a more sociable hour.

Will you please be good enough to give the enclosed subscription check to the Orinda Sun? Thanks! We think the ORINDA SUN is an exceptionally fine little paper.

Yours very truly,

JEANETTE N. MILLMAN

LEGAL NOTICE

ORDINANCE NO. 505

AN ORDINANCE REGULATING PARKING UPON CERTAIN PUBLIC HIGHWAYS IN THE COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, OUTSIDE OF INCORPORATED CITIES.

The Board of Supervisors of the County of Contra Costa, State of California, do ordain as follows:

SECTION I: It shall be unlawful for the operator of any vehicle to park or to stand such vehicle, whether attended or unattended, in excess of a period of two (2) hours at any time between the hours of eight o'clock a.m. and six o'clock p.m., Sundays and Holidays excepted, and to park in any other manner than diagonally at any time:

1. Along the southwesterly side of Moraga Highway from Golden Gate Way to the northwesterly intersection of Camino Encinas;
2. Along the northeasterly side of Moraga Highway from Southwood Drive northwesterly to the southeasterly line of the public alley, excepting therefrom the portion 20 feet in length fronting on the Post Office;
3. Along both sides of Golden Gate Way from Moraga Highway southerly 272 feet.

SECTION II: It shall be unlawful for the operator of any vehicle to park or to stand such vehicle, whether attended or unattended, in excess of a period of five (5) minutes at any time:

On the northeasterly side of Moraga Highway, being the portion thereof fronting on the U. S. Post Office and 20 feet in length.

SECTION III: It shall be unlawful for the operator of any vehicle to park or stand such vehicle, whether attended or unattended, at any time:

1. Along the northeasterly side of Moraga Highway, commencing 190 feet northwesterly from the westerly line of Southwood Drive; thence northwesterly along Moraga Highway 20 feet;
2. Along the curb return from the easterly side of Golden Gate Way into the southerly side of Moraga Highway.

The foregoing ordinance was passed and adopted by the Board of Supervisors of the County of Contra Costa at a regular meeting of said Board held on the 22nd day of August, 1949, by the following vote, to-wit:

AYES: Supervisors—S. S. Rip-

ley, H. L. Cummings, Ray S. Taylor, W. J. Buchanan, J. Frederickson.

NOES: Supervisors—None.

ABSENT: Supervisors—None.

W. J. BUCHANAN
Chairman of the Board of Supervisors of the County of Contra Costa, State of California.

ATTEST:

W. T. PAASCH
County Clerk and ex-officio Clerk of the Board of Supervisors of the County of Contra Costa, State of California.

By: M. A. Smith
Deputy Clerk.

LEGAL NOTICE

SCHOOL BOND ELECTION NOTICE

Notice is hereby given to the qualified electors of Orinda Union School District of the County of Contra Costa, State of California, that in accordance with law, an election will be held on the 13th day of September, 1949, in said District, between the hours of 7 o'clock A.M. and 7 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of \$92,000.00 Dollars, for the purpose of raising money for the following purposes:

- (a) The purchasing of school lots.
- (b) The building or purchasing of school buildings.
- (c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.
- (d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
- (e) The supplying of school buildings with furniture or necessary apparatus of a permanent nature.
- (f) The permanent improvement of the school grounds.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

Said bonds proposed to be issued and sold shall be of the denominations hereinafter specified, and shall bear interest at a rate of not exceeding five per cent per

annum, payable annually for the first year the bonds have to run, and semi-annually thereafter, and shall be numbered from 1 to 92 consecutively, payable as follows, to-wit:

Bonds Numbered (Inclusive)	Denomination	To Run
1-4	\$1,000.00	1 year
5-8	\$1,000.00	2 years
9-12	\$1,000.00	3 years
13-16	\$1,000.00	4 years
17-20	\$1,000.00	5 years
21-24	\$1,000.00	6 years
25-28	\$1,000.00	7 years
29-32	\$1,000.00	8 years
33-36	\$1,000.00	9 years
37-40	\$1,000.00	10 years
41-44	\$1,000.00	11 years
45-48	\$1,000.00	12 years
49-52	\$1,000.00	13 years
53-56	\$1,000.00	14 years
57-60	\$1,000.00	15 years
61-64	\$1,000.00	16 years
65-68	\$1,000.00	17 years
69-72	\$1,000.00	18 years
73-76	\$1,000.00	19 years
77-80	\$1,000.00	20 years

For the purpose of holding said election, the School District shall be and it is hereby consolidated into One (1) Bond Election Precinct, numbered One (1), as hereinafter described; and the persons hereinafter named being competent and qualified electors of said School District, and of their Bond Election Precinct are hereby appointed officers of election, as hereinafter designated, to serve in their Bond Election Precinct, as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precinct, polling place and election officers, duly designated and appointed are as follows:

BOND ELECTION PRECINCT NO. ONE

shall include all the area embraced in Orinda Union School District. POLLING PLACE therein shall be at Orinda Elementary School. Officers of Election for said Bond Election Precinct:

MRS. MARGARET SYMES
Inspector

MRS. HELEN BUREK
Judge

MRS. CAROLYNN COGGINS
Judge

Each qualified elector of said Orinda Union School District shall be entitled to vote only in the School District Bond Election Precinct of which he is a resident.

IN WITNESS WHEREOF, we have hereunto set our hands this 1st day of August, 1949.

MRS. JOAN ERIKSON

I'm Frank...

YES, AND I'M FRANK to admit that there are a lot of things we just don't carry in the Orinda Hardware. For instance, if it's a good show you want — see Ben Randall; if it's money you want — see John Stoffel; and if you want a good drink — boy, can that Frank Delos mix one up! Ice cream, chocolate syrup, malt — you know the kind.

But if it's hardware, kitchen ware, in fact any kind of ware but under, we have it right here in the Orinda Hardware Store.

AND WE HAVE other assets too: 1. We're the only Hardware Store in Orinda that delivers. . . . 2. We're the only Hardware Store in Orinda that is open on Sunday morning. . . . 3. We're the only Hardware Store in Orinda that features Olson's Bamboo Rendezvous.

2582. . . . 5. We're the only Hardware Store in Orinda that has an easy to remember number like 2582. . . . 5. We're the only Hardware Store in Orinda with singing deliveries. . . . 6. We're the only Hardware Store in Orinda.

MY DAD AND MOTHER came out and visited Wilma, Pete and me a couple of weeks ago. Came all the way from Brooklyn too. You know, Dad is one of those rare Brooklyn Swedes. He was terribly upset when he learned that we didn't make our deliveries in a Fjord.

Had a very enjoyable lunch hour swim the other noon with the Orinda undercover man, Bill Vaughn. His product takes a licking no matter how good the times are. Bill manufactures the finest envelopes in the business.

SPEAKING OF LOCAL MANUFACTURERS, which we were, have you seen the new Nicklas lawn chair? It's a very neat article perfected by our own Walter Nicklas. And they are only \$5.95 too. Come in and we'll give you a demonstration.

While we're on the subject of real bargains, I'd like to remind you again of the Gates Modern-ette hose. That's the green plastic stuff that has revolutionized the watering of gardens. Sure, it sounds a little expensive but it's guaranteed, not for years, not for life, but forever. It's \$10.95 for fifty feet. We think it's one of our best buys.

WANNA BUY A HORSE? No, we don't handle horses here at the store, it's just that we're rather attached to this particular hay burner.

It came about one night when dinner was over and I'd parked my number elevens on the coffee table for a nice snooze before going to bed. The phone rang and Wil said it was for me.

IT WAS "BING CROSBY" from over at the post office. He'd bought a horse but had neglected to get anything to tie him up.

"Please, . . . Frank," he begged, "will you come down and sell me a piece of rope? What'll the neighbors say about me standing out here all night with my arms around a horse?"

TO MAKE A LONG STORY short, I went down, opened up the store and sold "Bing" a piece of rope. I guess the rope has worn out by now 'cause "Bing" wants to sell the horse. Can't think of any other reason for it's a heck of a good horse.

It'll sure be good to have Lloyd back next week. He's been with the Marines in San Diego. They didn't need him as much as we did here at the store but they have priority.

THE PROUDEST MAN on Overhill Road is Mr. Baumhelfer and the secret of his pride is 2-4-5-D. "Weedless" Baumhelfer they call him. You too can be weed free with 2-4-5-D.

Hey, I almost forgot to tell you — we make keys. That should be good news to John Reilly next time he loses the key to his place of business, our Oakland competitor.

JOHN HAS BEEN ALLOWED to carry the key for some time now but if he loses it once more the privilege will be taken from him and his last two merit badges will be revoked. We make keys anyway.

Coley Huntley, the colorful Claremont character, made a delivery for me the other day for which I am deeply grateful. It saved me a half hour or so but already I've gotten complaints that he sang off key.

THAT'S ABOUT IT for now but remember, we're as close as your telephone. Ask for Chubby, the boss or anyone else but if a guy walks up and says Hi! — I'm Frank.

...I'm Frank

Orinda Children In Style Show

Catherine Oliphant, daughter of Mrs. Harry Oliphant, and Cassandra and Jett Horton, children of Mrs. George Horton, will be among the children of Spruce Branch members, Children's Hospital of the East Bay, to model junior fashions at the style show, luncheon and bridge party to be given Monday in Hotel Claremont.

Both boys and girls, who range in age from 1 to 11 years of age, will model the clothes from a well-

known specialty shop which features custom made designs for children up to size 14.

Mrs. Lloyd Rees of Berkeley, former Orindan, is in charge of general arrangements for the show. Mrs. Eugent Payne of Oakland is ticket chairman, and prizes and publicity for this first big event of the year for the Children's Hospital of the East Bay branches have been handled by Mrs. Paul Taylor of Alameda.

Claudia and Martha, daughters of Mrs. Rees, will also be among the models to display the latest in children's wear.

Realtors to Hold Annual Barbecue

Members and friends of the Contra Costa Real Estate Board will gather Monday evening at Clayton for their annual barbecue.

Over 400 attended last year's affair, many from the Oakland, Berkeley, Martinez and Concord Boards. The newly organized East Contra Costa Real Estate Board will be in attendance this year.

A delicious menu has been prepared, consisting of juicy steaks, Mexican beans, and a green salad. The '49er theme will be carried out with prizes for the best costumes, and for special events.

Corsages for the ladies are being furnished by the Clyde O. Sweet Company, and several prizes have been donated by local merchants.

Lyon Speaks To Realtors

The Monday morning breakfast meeting of the Contra Costa Realtors Mart was Builders and Bankers Day, and several of the local contractors and bank executives were present.

Harvey Lyon of Lyon Van and Storage spoke on "This Moving Business" or, "Is Business Moving." His talk was very humorous and interesting.

STORK CLUB

At last a girl for the C. W. Brock, Jr.'s, of La Cuesta, Orinda. Elizabeth Ann, who will be called Betsy, arrived August 18 at Children's Hospital in San Francisco and weighed in at 7 lbs. 6 oz. She has three brothers, Ted 6, Charlie 3, and Jimmy who is 15 months.

VITIS COTTERALS

Visiting last week with Mr. and Mrs. Jay Cotteral were cousins of Mrs. Cotteral, Mrs. Evelyn Ball, her daughter, Mrs. Peggy Ball Lehman and her granddaughter, Mary Lehman. Mrs. Lehman, a graduate of Stanford University, is professor of mathematics at U.C.L.A. Mrs. Evelyn Ball is the wife of Prof. James Ball who teaches civil engineering at Los Angeles City College. Prior to their visit in Lafayette, the guests toured Canada and British Columbia. They entertained the Cotterals with movies of their last year's trip to Canada and British Columbia.

Coast Counties Gas and Electric Company

Mrs. W. Patterson to Direct Both Groups of Orinda Nursery School

Announcement has been made by the Board of Orinda Nursery School Association that one director, Mrs. William Patterson, will guide both the younger and older groups this coming year.

Assisting in this cooperative nursery will be Mrs. William Hechtman on Tuesday-Thursday when the younger children from two to three and a half years of age attend. Mrs. Richard Laney and Mrs. Henry Harris will assist on Monday - Wednesday - Friday with the children from three and a half to kindergarten age.

The school meets in the Nursery school building of the Orinda Community Church from nine until 11:45 in the morning.

SPECIAL TRAINING

In taking over directorship of both groups this year, Mrs. Patterson will be adding two more days of teaching to her weekly schedule, as she has taught the Monday-Wednesday-Friday group for the past five years. The Patterson family moved to Orinda 13 years ago and their son, Bill, started first grade at the Orinda Grammar School and went through Acalanes High School. At present he is in his second year at Menlo Junior College and will attend either Stanford or UC next year.

Working with children always has been Myrtle Patterson's desire. After three years in an education and music major at the University of Washington, she transferred to the Eastern Washington College of Education and was graduated in Elementary school education. She taught five years there and was awarded her Elementary Life Diploma in teaching in the state of Washington. She has done substituting and home teaching for the Orinda Grammar School since moving here. Since Nursery School age youngsters appeal to her the most, Myrtle attended the University of California and took her Nursery School training. Her practice teaching was conducted at the Willard Nursery School in Berkeley.

MEMBERSHIP TEA

Membership Tea time each Fall marks the official opening of the year's activities for the Orinda Nursery School Association and it is planned for September 21 in the home and gardens of Mr. and Mrs. Edward Solinsky on La Plaza.

Less than ten years old, this cooperative nursery has more than a hundred and twenty-five mothers who will participate in its activities. The Membership Tea at which the board members act as hostesses is the yearly social affair where all may get better acquainted.

APPOINTMENTS

Any mother in the Orinda vicinity

ity who is interested in placing her child's name on the visiting list may contact the membership chairman of the Tuesday-Thursday group, who is Mrs. Thomas Cullen, Orinda 2510; or the membership chairman of the Monday-Wednesday-Friday class, who is Mrs. S. A. Ballard, Orinda 5461.

Final appointments have been made also in the Association for the coming year and the mothers who will serve as officers and committee chairmen will be: Mrs. Frank Brush, President; Mrs. G. A. Rice, vice-president; Mrs. Edward Solinsky, secretary; Mrs. D. B. Woodcock, treasurer; Mrs. N. F. Coates, maintenance chairman; Mrs. Robert Rochester, purchasing chairman; Mrs. E. H. Schmitt and Mrs. C. H. Borden, parent participation chairman; Mrs. John Dorr, publicity chairman; Mesdames John Nowland, Robert Spott and H. Jones, membership representatives.

Patroness Group To Sponsor Walnut Festival Art Show

A group of women of the Diablo Valley Area have joined together to form a Patroness group to sponsor the Preview Night of the Walnut Festival Art Exhibit. These women will be hostesses at the Preview Night to a larger group who will sponsor the Art Show.

Purpose of the Preview Night is to raise funds for the \$500 purchase prize and other awards for the Art Exhibit. The Preview will take place on September 22, the night before the opening of the Walnut Festival. This will also be a brilliant opening to the Fall social season.

MANY EXHIBITS

Guernsey Ford, General Chairman of the Art Exhibit, has arranged a very interesting show. The grounds, landscaping, and general background design will be done by Floyd Gowan. There will be unusual Architectural exhibits, and included in the show will be Art-in-action groups consisting of a ceramics display and work by Antonio Prieto and his pupils, wood carving by Charles Sayres,

weaving by Mrs. Ben Dykes, and jewelry by Mrs. Erik Erikson. There will be a delightful exhibit of children's art under the direction of Mrs. Peter Howard.

The paintings exhibit will be of two groups; the first, a mixed invitational show of 50 well-known Bay Area artists; the second group will be a selected show of paintings chosen by jury. The jury will be William Gaw of Mills College, Alexander Nepote of the College of Arts and Crafts, and James McCray of the University of California.

CHAIRMEN

Co-chairmen for the Preview Night are Mrs. Reginald Biggs and Mrs. John R. LarRieu of Walnut Creek. As their committee heads they have appointed the following: Mrs. William Freeman and Mrs. Aubrey Macomber in charge of the invitation lists, Mrs. Matthew Jellettas, finance chairman; Mrs. Frederick Confer and Mrs. Dorothy Lamb, table flower arrangements; Mrs. Elwood Laws, ticket chairman; Mrs. Duncan Knudsen,

publicity chairman; Mrs. Alfred Layton, Mrs. R. C. Force, Jr., Mrs. T. O. Edwards, and Mrs. P. J. Sweazea will be in charge of refreshments.

There will be a tea for the Patronesses on September 14 at the home of Mrs. R. P. Holles in Happy Valley. Members of this Patroness group are the Mesdames Philip Bancroft, Ygnacio Valley; Alfred Layton, Diablo; Peter Howard, Walnut Creek; Arthur Carlson, Danville; Forrest Englehart, Alamo; Reginald Biggs, Walnut Creek; John R. LarRieu, Walnut Creek; Dorothy Lamb, Orinda; Robert Finger, Concord; Frederick Confer, Pleasant Hill; Aubrey Macomber, Ygnacio Valley; T. O. Edwards, Diablo.

Erik Erikson, Orinda; Dwight Baldwin, Lafayette; Herbert Gonsan, Orinda; Flora Hook, Walnut Creek; Raymond Force, Jr., Diablo; P. J. Sweazea, Walnut Creek; R. P. Tolles, Happy Valley; William B. Freeman, Lafayette; Duncan Knudsen, Happy Valley; Lonie Bee, Orinda; Kendrick Moorish, Moraga; Thomas Cookley, Martinez; Marion Plant, Happy Valley; Elwood Laws, Walnut Creek; Dana Hamlin, Hidden Valley; Edward C. Coutner, Jr., Walnut Creek; Matthew Jellettas, Lafayette.

RECUPERATING

Lafayette residents recuperating from recent trips to the hospital are Bishop Miller of the Lafayette Community Church and Mrs. H. D. Matthews of Las Huertas Road.

FROM THE SIDELINES

By Coach Erwin Mattson

BY COACH IRWIN MATTSON
Acalanes football gets under way next week with the initial practice scheduled for Monday at 6 p.m.

Physical examinations are being given this week and are required of all candidates for this year's team. Each boy must be examined and insured before being issued a suit.

ON THE BASIS of a sign up held at the conclusion of school last year, it appears to be a safe bet that more than a hundred candidates will be on hand for the opening kickoff.

Freshmen and transfers are an unknown quantity which will only be known when practice actually gets under way.

ALL OF THE COUNTY high schools open on Monday as far as football is concerned as does the Pacific Coast Colleges.

From here on in pigskin will be the daily menu.

ISSUING OF GEAR is a major problem and will be a big job when one realizes that each player receives a helmet, shoulder pads, hip pads, rib pads, thigh guards, jersey and pants. Each piece of gear is marked with an identification number and registered on the player's equipment card.

Early practice calls for a great deal of stress on conditioning exercises with a constant tieup being kept between the conditioning part and the teaching and practicing of essential fundamentals. Blocking and tackling will receive a good share of attention along with basic play formation.

SIXTEEN PRACTICE SCHEDULES stand between the Dons

and Albany. Much has to be done in that time. Good physical condition means run, run, run... and when you think you are finished run some more.

Legs are all important in the game of football and a player is of little value if his legs are out of condition.

The first physical examinations were given at the high school gym and more are to be given this Saturday morning at 10:30 at the same place.

Equipment will be issued on Monday with last year's varsity members receiving their gear on Saturday and Sunday.

SQUADS MUST BE CUT down to a workable size and that is a big job this year with more than a hundred on hand.

Each boy will be graded on the basis of his ability in the various phases of the game. Grades will be given by different coaches independently of one another.

THE YEAR IN SCHOOL and possibility of future improvement will be taken into account. Freshmen will be observed carefully and any boy with potential ability will be kept in the fold.

Of primary interest will be the attitude of each player. Does he do his best at every assignment? Is he on time? Does he seem to be vitally interested in football and likely to continue that interest in the face of a lot of hard work? Does he have determination? What is his attitude toward success? Toward failure?

ATTITUDE is definitely prime importance. Top attitude will

make a player out of most any boy. Poor attitude will result in failure for a boy with all-American ability.

Another very important factor is the ability to get along with others. Football is essentially a team game and a rugged individualist is of little help to team success.

PRACTICE DRILLS will take place the next two weeks starting at 6 p.m. Beginning with the opening of school on September 12 the squad will go to afternoon sessions.

This time next week will give a much better line on the potentialities for the Dons of 1949.

OPEN THURS. EVENING 'TIL 9:00 P.M.

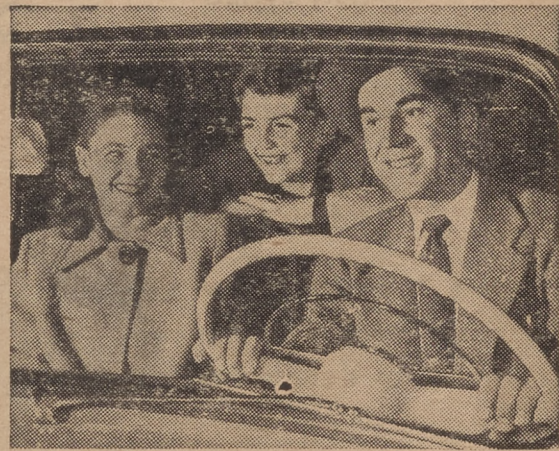

When you call the family taxi, need a telephone for any reason, have you noticed one always seems handy?

"Come get us, daddy, the movie's over"

1. It doesn't just happen there's a public telephone not far away when you look for it. Locations have been carefully selected to make sure service is where it's needed most... in theatres, filling stations, drug stores, terminals. And special installations are often made to meet the needs of crowds—at conventions, fairs and the like. Today there are some 85,000 public telephones at work in the West.

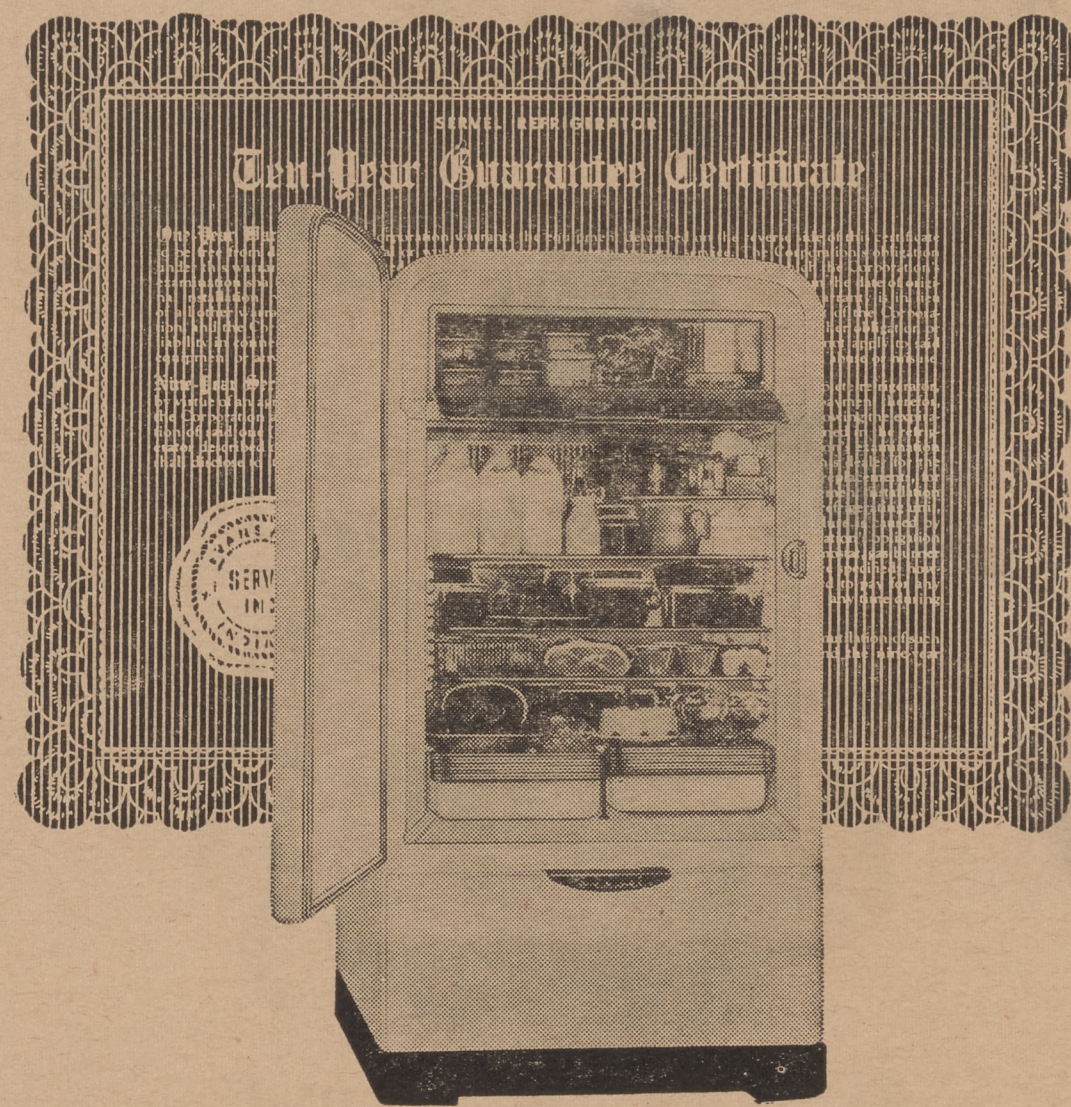

2. More errands run, more jobs done, more time saved for you... telephone service has many duties. And public telephones make service still more valuable by putting all telephones, both residence and business, within convenient reach... no matter where you may be. More and more are going in, too... as we keep pushing our job of furnishing good, well-rounded telephone service to the West.

3. Good service for you comes from the big job of handling millions of calls every day. But the extras mean a lot, too—like putting telephone booths in handy places. They add up to keep your service one of today's best buys.

Your telephone is one of
today's biggest bargains

The Pacific Telephone and Telegraph Company

**The only one... backed by
a 10-year guarantee**

Every year, more people buy Servel, the GAS refrigerator. One important reason is that Servel—and Servel alone—guarantees a full 10 years of silent, worry-free performance.

Only Servel gives this assurance of long-lasting service because it has no moving parts in its freezing system. No parts to wear, no motor to click or hum. With a tiny gas flame that does all the work, it stays silent, lasts longer.

See the new Servel GAS refrigerator, today, at your appliance dealer's, or at your Coast Counties Gas and Electric Company office.

Rotarians See Travelogue Movie

"Fish-On," a travelogue-sports movie covering an airplane trip to the Aleutians and western Alaska, and game fishing in the northern waters, was shown at the luncheon meeting of Orinda Rotary Wednesday. The beautiful scenic pictures of the northern flight included some views of the Valley of 10,000 Smokes as well as the other terrain covered. Of special interest to fishermen was the number and size of the salmon and trout of many kinds shown in the fishing sequence.

The film was presented through the Standard Oil Company.

Mr. Eastman of the East Bay Municipal Utilities District will be guest speaker at next week's meeting of the service club. His talk will cover the many problems of the water company and describe maintenance, water pressure, fire district coverage, provision of water lines and many other phases of the utility company's work.

Party Honors Allen and Betz

A combined birthday celebration, which took the form of a barbecue supper, was held in honor of Stan Allen and Clarence Betz at the Betz' home last Sunday evening. Present were Messrs. and Mesdames Frank Olsen, Harry Oliphant, Jack Cooper, Don Hunter, Richard Tharp, Fred Crawshaw, Frank Wright, Bill Worden and Wm. Hanley. Mrs. Allen and Mrs. Betz hosted the affair.

Family Portrait

THE SUN PRESENTS another Family Portrait this week—Mr. and Mrs. Clinton C. DeWitt, Jr., and three sons, left to right, Dyke, 9 months old, Grigg, 5, and Clinton III, 3½.

BY VICTORINA WILLSON

FIRST TODAY we would like to introduce three charming young men—Grigg, Clinton III (better known as Clint) and smiling Dyke and, of course, their proud young parents, Mr. and Mrs. Clinton C. DeWitt, Jr., of Orinda.

Mr. DeWitt is manager and part owner of the East Bay Mortgage Service, Inc., a Real Estate Financing concern located in Oakland. He is a member of the Oakland Chamber of Commerce, the Athens Athletic Club and Mortgage Bankers' Association of America. Originally from Detroit, he attended the University of Michigan but then came out West to U.C.L.A. and later came North for business reasons.

MRS. DeWITT attended the University of California, Berkeley Campus, and was a member of Kappa Kappa Gamma Sorority. They met through mutual friends after he came to the Bay Area.

The family moved to Orinda two and a half years ago for better weather and would have been out here a long time ago if the war had not come along and altered plans. When they built their

house they made a four year plan for decorating and landscaping. They actually laid out a survey and followed the plan. They say they are now only about two months behind schedule. A wonderful record when it is so easy to be lazy in the spring and summer months.

ASKED ABOUT HOBBIES, they said swimming and gardening are favorite ones for the senior DeWitts with Mr. DeWitt handling the pick and shovel department and Mrs. DeWitt in charge of the beautifying.

A SHORT WHILE AGO, Crackers, a dog and Cheese, a rat, were also members of the family. But the wanderlust got the better of

Crackers and so now they are left with just Cheese and no Crackers (honest, Mr. Editor, I didn't make that up).

Grigg said he likes to "write houses and windows" and go to peoples houses and play. Clint nodded in agreement especially when Grigg further admitted that catching frogs and turtles was most fun of all. A pastime that keeps mother busy returning lizards, frogs and turtles back to their native haunts.

And through all the photographing and interviewing happy little Dyke just chuckled and volunteered his grin, thus completely charming your interviewing photographer.

Park Pool Enjoys 'Fun Day' Sunday

Orinda Park Pool had its calendar marked "Fun Day" last Sunday. Intra-club swimming races, a barbecue dinner, song fest, movies and a varied entertainment program was in the list of activities.

Club members competed in the swimming races in the afternoon and got in trim for Sunday's meet against the Orinda Country Club.

Dinner was served at 6 and community singing added to the fun, with sound movies, including Westerns and cartoons for the children and other films for adults, and an audience participation program completing the day.

Charles "Snow" Ward was in charge of the program and conducted the audience participation

program similar to those held on the radio.

Mrs. Doris Clifford was entertainment chairman for the day.

Seafarers To Hear Blalock

The Seafarers' cruise tonight will be to the Tarlock port in Danville. There they will enjoy a six o'clock pot-luck dinner and barbecue, followed by a program which will feature a talk on birds by Andy Blalock.

WITH THE ROUNDER

SOME OF OUR VILLAGE MERCHANTS think those young ladies who ride their horses through the Village should either stay off the sidewalk, or at least carry a shovel as part of their equipment.

Keith Fitch meandered out of the Orinda Store the other day and nearly hung himself on the stirrup of a passing horse. And a few minutes later a bundle laden lady stepped though the door onto the sidewalk — slipped, skidded and swooped clear to the curb, almost landing flat in the gutter.

That's why the merchants suggest equestriennes carry shovels — or stay off the sidewalks.

Poor Paul Vashell has been kidded all week about being the garbage can culprit. Wasn't Paul, fellows. He pays his own garbage bill.

ONE OF WALNUT CREEK'S tavern owners visited Orinda last week — made a phone offer to bet that Hollywood would beat the Oaks. Hollywood didn't oblige — and our local bookie won himself a thousand — if he covered the bet.

THOSE PROWLERS WHO GOT SHOT at by a couple of Orindans last week were investigated but quick by the sheriff's office — the report said. Isn't quite so. First man on the scene was M. B. McNeely of the Contra Costa Patrol service. Just as he pulled into the drive of one of the houses, he picked up the police radio report warning the officers heading in that direction to turn on their red lights because shooting was going on. And how long has McNeely been trying to get red lights and a siren put on his patrol car? An okay from the sheriff is needed.

AND SPEAKING OF PROWLERS reminds us to report that Lila Murphy has NOT turned a cow loose on her property. All that bong, bonging comes from a cowbell she installed on her front gate. Felt pretty much alone in her place, particularly with all the prowlers prowling around Orinda. So she created a kind of booby-trap for the unwelcome visitor, figuring the cowbell would set up a terrific clamor if anyone opened the gate. It did.

It darn near wore itself out the first night when the wind came up, blew the gate open and shut, and every dog in the district sailed through it after every cat in the district most of the night. Lila barely survived the night, but at last reports the cowbell's still hanging away.

HARDLY A WORSE fate could befall a man during Orinda's summer months than to temporarily lose the use of his eyes. Particularly around business firms where Orinda's most beautiful can be seen quite well. That's why the Rounder's sympathies are with Bill Duncan, Orinda's plumber. Got kicked in one eye playing football — has the other one bandaged now from spattered hot lead.

ODDS AND ENDS AND ORINDANS:

THE BEST LOOKING COUPLE of any week, Zoe Ann Olsen and Jackie Jensen leaving Orinda Theatre. And the picture? The Stratton Story of course. . . . Ted Almquist tried one of those \$9.95 plane trips to L.A. On business. . . . Hayden Bridwell is becoming a weary, weary man. While he works, assisted temporarily by Mrs. Bridwell, his two ace salemen are touring the North country. Coggins is somewhere along the Alcan Highway. Friberg somewhere in Canada.

THE VILLAGE SOON GETS a new hardware store. Yes, you guessed it—where the "other" hardware store was located. Mr. Simon was going to build at the Crossroads until —.

FRED BECKNER went to Sonoma for some survey work, returned with a beet red puss from the sun and an anemic fringe on his top lip.

TIP TO WOULD BE BAD-MEN. Before you decide to add the Casa to the list of plundered local nite spots, take a look at the little round hole in one of the Casa's doors. Put there by night man Ted Johnson who doesn't wait for the burglar to enter but starts firing from the hip when the prowlers don't stop prowling. The Rounder's a bit disappointed in Ted's performance, however. With all the western atmosphere of the Casa, Ted has to spoil everything — only one gun.

Penfields Visit Family in East

BY CARRIE L. BROWN

Taking in one national park after another and visiting many eastern relatives, the George Penfield family has returned from an 8000 mile motor trip to the Atlantic Coast. With their daughter, Mrs. Paula Collings, at the wheel and Karen Collings, they spent almost two months sight-seeing and visiting. They were always just behind or just ahead of the devastating heat waves afflicting the country east of the Rockies.

To Karen, places like Yellowstone, Mammoth Caves, Old Faithful Geyser, Salt Lake, Estes Park, Detroit, Lake Michigan, Niagara, Radio City and Washington, D.C. will mean lots more than mere places on a map or in a travel folder. But Karen's greatest thrill was the days spent on her uncle's big farm in Bedford County, Pennsylvania. There she actually learned to milk a cow and did it twice

a day for six days! It was fun too, feeding the chickens and seeing the wheat shocked and helping to shell corn.

They drove to the fine old farm in the Shenandoah Valley once owned by Mrs. Penfield's grandfather and both Paula and Karen wished they could buy it and live there.

They drove over a hundred miles out of their way to visit Mrs. Penfield's aunt now 93 years old. Mrs. Penfield particularly enjoyed the eastern scenery. Hill-sides were thickly wooded with maples and silver birch and all other land was under cultivation, with practically no barren or weed covered areas anywhere.

All enjoyed the points of historic interest and the art galleries and museums. The last week of their tour was in California and for thrills and hazards they found Route 4 like some experienced in the Rockies.
